

YLI ELECTRONIC

DC-DC Voltage Switch Module

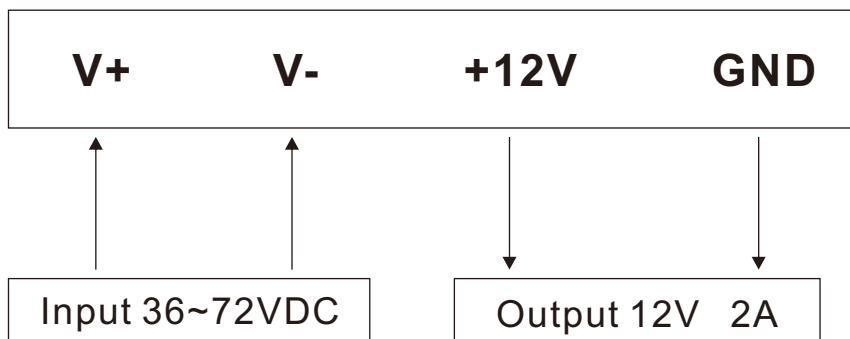

Model: PCB-504B

Specification

- Size: 67Lx50Wx29H(mm)
- Material: High quality elements with superb design
- Operating temp: -20~+70℃
- Input : 36-72VDC
- Output : 12VDC / 2A
- Weight: 0.05kg

Wire Connection

Remarks:

All current of equipments need less than the standard current(<2A).
